Synopsis: Petition and remonstrance process. Allows registered voters and owners of real property to participate when a political subdivision conducts a petition and remonstrance process to approve a bond issue or a lease rental. (Current law allows only the owners of real property to sign a petition or a remonstrance.) Requires the petitions to be filed with the county voter registration office, rather than the county auditor. Specifies the dates by which an individual must be a registered voter in order to participate in the petition and remonstrance process. Specifies that whenever the name of an individual who signs a petition or remonstrance as a registered voter contains a minor variation from the name of the individual as set forth in the records of the county voter registration office, the signature is presumed to be valid and there is a presumption that the individual is entitled to sign the petition or remonstrance. Specifies that in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under the election law, but provides that an individual is not required to comply with the provisions concerning providing proof of identification. Provides that if a petition is presented to a county voter registration office within 35 days of an election, the county voter registration office may defer acting on the petition until after the election.

(B) five percent (5%) of the ~~owners of real property~~ **registered voters residing** within the political subdivision.

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature; and

(D) govern the closing date for the petition period.

Persons requesting forms may ~~not~~ be required to identify themselves **as owners of real property or registered voters** and may be allowed to pick up additional copies to distribute to other property owners **or registered voters. Each person signing a petition must indicate whether the person is signing the petition as a registered voter within the political subdivision or is signing the petition as the owner of real property within the political subdivision. (6) Each petition must be verified under oath by at least one (1) qualified petitioner in a manner prescribed by the state board of accounts before the petition is filed with the county ~~auditor~~ **voter registration office** under subdivision (7).

(7) Each petition must be filed with the county ~~auditor~~ **voter registration office** not more than thirty (30) days after publication under subdivision (2) of the notice of the preliminary determination.

(8) The county voter registration office shall determine whether each person who signed the petition is a registered voter. The county voter registration office shall not more than fifteen (15) business days after receiving a petition forward a copy of the petition to the county auditor. Whenever the name of an individual who signs a petition form as a registered voter contains a minor variation from the name of the registered voter as set forth in the records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition is presented to the county voter registration office within thirty-five (35) days of an election, the county voter registration office may defer acting on the petition, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

within ~~fifteen (15)~~ **thirty-five (35)** business days of the filing of the petition requesting a petition and remonstrance process. The certificate must state the number of petitioners that are owners of

**C

y**

1 real property **within the political subdivision and the number**
 2 **of petitioners who are registered voters residing** within the
 3 political subdivision.

4 If a sufficient petition requesting a petition and remonstrance process
 5 is not filed by owners of real property **or registered voters** as set forth
 6 in this section, the political subdivision may issue bonds or enter into
 7 a lease by following the provisions of law relating to the bonds to be
 8 issued or lease to be entered into.

9 SECTION 4. IC 6-1.1-20-3.2, AS AMENDED BY P.L.2-2006,
 10 SECTION 55, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 11 UPON PASSAGE]: Sec. 3.2. If a sufficient petition requesting the
 12 application of a petition and remonstrance process has been filed as set
 13 forth in section 3.1 of this chapter, a political subdivision may not
 14 impose property taxes to pay debt service or lease rentals without
 15 completing the following procedures:

16 (1) The proper officers of the political subdivision shall give
 17 notice of the applicability of the petition and remonstrance
 18 process by:

19 (A) publication in accordance with IC 5-3-1; and

20 (B) first class mail to the organizations described in section
 21 3.1(1)(B) of this chapter.

22 A notice under this subdivision must include a statement that any
 23 owners of real property **within the political subdivision or**
 24 **registered voters residing** within the political subdivision who
 25 want to petition in favor of or remonstrate against the proposed
 26 debt service or lease payments must file petitions and
 27 remonstrances in compliance with subdivisions (2) through (4)
 28 not earlier than thirty (30) days or later than sixty (60) days after
 29 publication in accordance with IC 5-3-1.

30 (2) Not earlier than thirty (30) days or later than sixty (60) days
 31 after the notice under subdivision (1) is given:

32 (A) petitions (described in subdivision (3)) in favor of the
 33 bonds or lease; and

34 (B) remonstrances (described in subdivision (3)) against the
 35 bonds or lease;

36 may be filed by an owner or owners of real property **within the**
 37 **political subdivision or a registered voter residing** within the
 38 political subdivision. Each signature on a petition must be dated
 39 and the date of signature may not be before the date on which the
 40 petition and remonstrance forms may be issued under subdivision
 41 (3). A petition described in clause (A) or a remonstrance
 42 described in clause (B) must be verified in compliance with

subdivision (4) before the petition or remonstrance is filed with the county ~~auditor~~ **voter registration office** under subdivision (4).

(3) The state board of accounts shall design and, upon request by the county ~~auditor~~, **voter registration office**, deliver to the county ~~auditor~~ **voter registration office** or the county ~~auditor's~~ **voter registration office's** designated printer the petition and remonstrance forms to be used solely in the petition and remonstrance process described in this section. The county ~~auditor~~ **voter registration office** shall issue to an owner or owners of real property **within the political subdivision or a registered voter residing** within the political subdivision the number of petition or remonstrance forms requested by the owner or owners **or the registered voter**. Each form must be accompanied by instructions detailing the requirements that:

(A) the carrier and signers must be owners of real property **or registered voters**;

(B) the carrier must be a signatory on at least one (1) petition;

(C) after the signatures have been collected, the carrier must swear or affirm before a notary public that the carrier witnessed each signature;

(D) govern the closing date for the petition and remonstrance period; and

(E) apply to the carrier under section 10 of this chapter.

Persons requesting forms may ~~not~~ be required to identify themselves **as owners of real property or registered voters** and may be allowed to pick up additional copies to distribute to other property owners **or registered voters**. **Each person signing a petition or remonstrance must indicate whether the person is signing the petition or remonstrance as a registered voter within the political subdivision or is signing the petition or remonstrance as the owner of real property within the political subdivision. A person who signs a petition or remonstrance as a registered voter must indicate the address at which the person is registered to vote. A person who signs a petition or remonstrance as a real property owner must indicate the address of the real property owned by the person in the political subdivision.** The county ~~auditor~~ **voter registration office** may not issue a petition or remonstrance form earlier than twenty-nine (29) days after the notice is given under subdivision (1). The county ~~auditor~~ **voter registration office** shall certify the date of issuance on each petition or remonstrance

form that is distributed under this subdivision.

(4) The petitions and remonstrances must be verified in the manner prescribed by the state board of accounts and filed with the county ~~auditor~~ **voter registration office** within the sixty (60) day period described in subdivision (2) in the manner set forth in section 3.1 of this chapter relating to requests for a petition and remonstrance process.

(5) The county voter registration office shall determine whether each person who signed the petition or remonstrance is a registered voter. The county voter registration office shall not more than fifteen (15) business days after receiving a petition or remonstrance forward a copy of the petition or remonstrance to the county auditor. Not more than ten (10) business days after receiving the copy of the petition or remonstrance, the county auditor shall provide to the county voter registration office a statement verifying:

(A) whether a person who signed the petition or remonstrance as a registered voter but is not a registered voter, as determined by the county voter registration office, is the owner of real property in the political subdivision; and

(B) whether a person who signed the petition or remonstrance as an owner of real property within the political subdivision does in fact own real property within the political subdivision.

(6) The county voter registration office shall not more than ten (10) business days after receiving the statement from the county auditor under subdivision (5) make the final determination of:

(A) the number of registered voters in the political subdivision that signed a petition and, based on the statement provided by the county auditor, the number of owners of real property within the political subdivision that signed a petition; and

(B) the number of registered voters in the political subdivision that signed a remonstrance and, based on the statement provided by the county auditor, the number of owners of real property within the political subdivision that signed a remonstrance.

Whenever the name of an individual who signs a petition or remonstrance as a registered voter contains a minor variation from the name of the registered voter as set forth in the

**C
o

records of the county voter registration office, the signature is presumed to be valid, and there is a presumption that the individual is entitled to sign the petition or remonstrance under this section. Except as otherwise provided in this chapter, in determining whether an individual is a registered voter, the county voter registration office shall apply the requirements and procedures used under IC 3 to determine whether a person is a registered voter for purposes of voting in an election governed by IC 3. However, an individual is not required to comply with the provisions concerning providing proof of identification to be considered a registered voter for purposes of this chapter. A person is entitled to sign a petition or remonstrance only one (1) time in a particular petition and remonstrance process under this chapter, regardless of whether the person owns more than one (1) parcel of real property within the subdivision and regardless of whether the person is both a registered voter in the political subdivision and the owner of real property within the political subdivision. Notwithstanding any other provision of this section, if a petition or remonstrance is presented to the county voter registration office within thirty-five (35) days of an election, the county voter registration office may defer acting on the petition or remonstrance, and the time requirements under this section for action by the county voter registration office do not begin to run until five (5) days after the date of the election.

~~(5)~~ (7) The county ~~auditor~~ voter registration office must file a certificate and the petition or remonstrance with the body of the political subdivision charged with issuing bonds or entering into leases within ~~fifteen (15)~~ **thirty-five (35)** business days of the filing of a petition or remonstrance under subdivision (4), whichever applies, containing ten thousand (10,000) signatures or less. The county ~~auditor~~ voter registration office may take an additional five (5) days to review and certify the petition or remonstrance for each additional five thousand (5,000) signatures up to a maximum of sixty (60) days. The certificate must state the number of petitioners and remonstrators that are owners of real property **within the political subdivision and the number of petitioners who are registered voters residing** within the political subdivision.

~~(6)~~ (8) If a greater number of **persons who are either** owners of real property **within the political subdivision or registered**

C
o
p

voters residing within the political subdivision sign a remonstrance than the number that signed a petition, the bonds petitioned for may not be issued or the lease petitioned for may not be entered into. The proper officers of the political subdivision may not make a preliminary determination to issue bonds or enter into a lease for the controlled project defeated by the petition and remonstrance process under this section or any other controlled project that is not substantially different within one (1) year after the date of the county ~~auditor's~~ **voter registration office's** certificate under subdivision ~~(5)~~ (7). Withdrawal of a petition carries the same consequences as a defeat of the petition.

~~(7)~~ (9) After a political subdivision has gone through the petition and remonstrance process set forth in this section, the political subdivision is not required to follow any other remonstrance or objection procedures under any other law (including section 5 of this chapter) relating to bonds or leases designed to protect owners of real property within the political subdivision from the imposition of property taxes to pay debt service or lease rentals. However, the political subdivision must still receive the approval of the department of local government finance required by:

(A) IC 6-1.1-18.5-8; or

(B) IC 20-46-7-8, IC 20-46-7-9, and IC 20-46-7-10.

SECTION 5. IC 8-14-9-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12. All bonds and interest on bonds issued under this chapter are exempt from taxation as provided under IC 6-8-5-1. All general laws relating to:

- (1) the filing of a petition requesting the issuance of bonds;
- (2) the right of taxpayers **and voters** to remonstrate against the issuance of bonds;
- (3) the appropriation of the proceeds of the bonds and the approval of the appropriation by the department of local government finance; and
- (4) the sale of bonds at public sale for not less than par value;

are applicable to proceedings under this chapter.

SECTION 6. IC 8-22-3-16 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16. (a) The board may issue general obligation bonds of the authority for the purpose of procuring funds to pay the cost of acquiring real property, or constructing, enlarging, improving, remodeling, repairing, or equipping buildings, structures, runways, or other facilities, for use as or in connection with or for administrative purposes of the airport. The

C
o
p

1 issuance of the bonds must be authorized by ordinance of the board
 2 providing for the amount, terms, and tenor of the bonds and for the
 3 time and character of notice and the mode of making sale. If one (1)
 4 airport is owned by the authority, an ordinance authorizing the issuance
 5 of bonds for a separate second airport is subject to approval as provided
 6 in this section. The bonds bear interest and are payable at the times and
 7 places that the board determines but running not more than twenty-five
 8 (25) years after the date of their issuance, and they must be executed in
 9 the name of the authority by the president of the board and attested by
 10 the secretary who shall affix to each of the bonds the official seal of the
 11 authority. The interest coupons attached to the bonds may be executed
 12 by placing on them the facsimile signature of the president of the
 13 board.

14 (b) The issuance of general obligation bonds must be approved by
 15 resolution of the following body:

16 (1) When the authority is established by an eligible entity, by its
 17 fiscal body.

18 (2) When the authority is established by two (2) or more eligible
 19 entities acting jointly, by the fiscal body of each of those entities.

20 (3) When the authority was established under IC 19-6-2, by the
 21 mayor of the consolidated city, and if a second airport is to be
 22 funded, also by the city-county council.

23 (4) When the authority was established under IC 19-6-3, by the
 24 county council.

25 (c) The airport director shall manage and supervise the preparation,
 26 advertisement, and sale of the bonds, subject to the authorizing
 27 ordinance. Before the sale of the bonds, the airport director shall cause
 28 notice of the sale to be published once each week for two (2)
 29 consecutive weeks in two (2) newspapers of general circulation
 30 published in the district, setting out the time and place where bids will
 31 be received, the amount and maturity dates of the issue, the maximum
 32 interest rate, and the terms and conditions of sale and delivery of the
 33 bonds. The bonds shall be sold to the highest bidder, in accordance
 34 with the procedures for selling public bonds. After the bonds have been
 35 properly sold and executed, the airport director shall deliver them to the
 36 treasurer of the authority and take ~~his~~ a receipt for them, and shall
 37 certify to the treasurer the amount which the purchaser is to pay for
 38 them, together with the name and address of the purchaser. On payment
 39 of the purchase price the treasurer shall deliver the bonds to the
 40 purchaser, and the treasurer and airport director or superintendent shall
 41 report their actions to the board.

42 (d) The provisions of IC 6-1.1-20 and IC 5-1 relating to the filing of

a petition requesting the issuance of bonds and giving notice of them, the giving of notice of determination to issue bonds, the giving of notice of hearing on the appropriation of the proceeds of bonds and the right of taxpayers to appeal and be heard on the proposed appropriation, the approval of the appropriation by the department of local government finance, the right of taxpayers **and voters** to remonstrate against the issuance of bonds, and the sale of bonds at public sale for not less than par value are applicable to proceedings under this chapter for the issuance of general obligation bonds.

(e) Bonds issued under this chapter are not a corporate obligation or indebtedness of any eligible entity but are an indebtedness of the authority as a municipal corporation. An action to question the validity of the bonds issued or to prevent their issue must be instituted not later than the date set for sale of the bonds, and all of the bonds after that date are incontestable.

1 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. (a) This section
 2 applies whenever a special taxing district of the consolidated city has
 3 the power to issue bonds, notes, or warrants.

4 (b) Before any bonds, notes, or warrants of a special taxing district
 5 may be issued, the issue must be approved by resolution of the
 6 legislative body of the consolidated city.

7 (c) Any bonds of a special taxing district must be issued in the
 8 manner prescribed by statute for that district, and the board of the
 9 department having jurisdiction over the district shall:

10 (1) hold all required hearings;

11 (2) adopt all necessary resolutions; and

12 (3) appropriate the proceeds of the bonds;

13 in that manner. However, the legislative body shall levy each year the
 14 special tax required to pay the principal of and interest on the bonds
 15 and any bank paying charges.

16 (d) Notwithstanding any other statute, bonds of a special taxing
 17 district may:

18 (1) be dated;

19 (2) be issued in any denomination;

20 (3) mature at any time or times not exceeding fifty (50) years after
 21 their date; and

22 (4) be payable at any bank or banks;

23 as determined by the board. The interest rate or rates that the bonds will
 24 bear must be determined by bidding, notwithstanding IC 5-1-11-3.

25 (e) Bonds of a special taxing district are subject to the provisions of
 26 IC 5-1 and IC 6-1.1-20 relating to the filing of a petition requesting the
 27 issuance of bonds and giving notice of the petition, the giving of notice
 28 of a hearing on the appropriation of the proceeds of bonds, the right of
 29 taxpayers to appear and be heard on the proposed appropriation, the
 30 approval of the appropriation by the department of local government
 31 finance, the right of taxpayers **and voters** to remonstrate against the
 32 issuance of bonds, and the sale of bonds at public sale.

33 SECTION 12. IC 36-5-2-11 IS AMENDED TO READ AS
 34 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 11. (a) The
 35 legislative body may issue bonds for the purpose of procuring money
 36 to be used in the exercise of the powers of the town and for the
 37 payment of town debts. However, a town may not issue bonds to
 38 procure money to pay current expenses.

39 (b) Bonds issued under this section are payable in the amounts and
 40 at the times determined by the legislative body.

41 (c) Bonds issued under this section are subject to the provisions of
 42 IC 5-1 and IC 6-1.1-20 relating to the filing of a petition requesting the

C

1 issuance of bonds and giving notice of the petition, the giving of notice
 2 of a hearing on the appropriation of the proceeds of bonds, the right of
 3 taxpayers to appear and be heard on the proposed appropriation, the
 4 approval of the appropriation by the department of local government
 5 finance, the right of taxpayers **and voters** to remonstrate against the
 6 issuance of bonds, and the sale of bonds at public sale for not less than
 7 their par value.

8 (d) The legislative body may, by ordinance, make loans of money
 9 for not more than five (5) years and issue notes for the purpose of
 10 refunding those loans. The loans may be made only for the purpose of
 11 procuring money to be used in the exercise of the powers of the town,
 12 and the total amount of outstanding loans under this subsection may not
 13 exceed five percent (5%) of the town's total tax levy in the current year
 14 (excluding amounts levied to pay debt service and lease rentals). Loans
 15 under this subsection shall be made as follows:

16 (1) The ordinance authorizing the loans must pledge to their
 17 payment a sufficient amount of tax revenues over the ensuing five
 18 (5) years to provide for refunding the loans.

19 (2) The loans must be evidenced by notes of the town in terms
 20 designating the nature of the consideration, the time and place
 21 payable, and the revenues out of which they will be payable.

22 (3) The interest accruing on the notes to the date of maturity may
 23 be added to and included in their face value or be made payable
 24 periodically, as provided in the ordinance.

25 Notes issued under this subsection are not bonded indebtedness for
 26 purposes of IC 6-1.1-18.5.

27 SECTION 13. IC 36-7-14-25.1, AS AMENDED BY P.L.185-2005,
 28 SECTION 17, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 29 UPON PASSAGE]: Sec. 25.1. (a) In addition to other methods of
 30 raising money for property acquisition or redevelopment in a
 31 redevelopment project area, and in anticipation of the special tax to be
 32 levied under section 27 of this chapter, the taxes allocated under
 33 section 39 of this chapter, or other revenues of the district, or any
 34 combination of these sources, the redevelopment commission may, by
 35 resolution and subject to subsection (p), issue the bonds of the special
 36 taxing district in the name of the unit. The amount of the bonds may
 37 not exceed the total, as estimated by the commission, of all expenses
 38 reasonably incurred in connection with the acquisition and
 39 redevelopment of the property, including:

40 (1) the total cost of all land, rights-of-way, and other property to
 41 be acquired and redeveloped;

42 (2) all reasonable and necessary architectural, engineering, legal,

C
o
p
y

1 financing, accounting, advertising, bond discount, and
 2 supervisory expenses related to the acquisition and redevelopment
 3 of the property or the issuance of bonds;

4 (3) capitalized interest permitted by this chapter and a debt
 5 service reserve for the bonds to the extent the redevelopment
 6 commission determines that a reserve is reasonably required; and

7 (4) expenses that the redevelopment commission is required or
 8 permitted to pay under IC 8-23-17.

9 (b) If the redevelopment commission plans to acquire different
 10 parcels of land or let different contracts for redevelopment work at
 11 approximately the same time, whether under one (1) or more
 12 resolutions, the commission may provide for the total cost in one (1)
 13 issue of bonds.

14 (c) The bonds must be dated as set forth in the bond resolution and
 15 negotiable, subject to the requirements of the bond resolution for
 16 registering the bonds. The resolution authorizing the bonds must state:

17 (1) the denominations of the bonds;

18 (2) the place or places at which the bonds are payable; and

19 (3) the term of the bonds, which may not exceed fifty (50) years.

20 The resolution may also state that the bonds are redeemable before
 21 maturity with or without a premium, as determined by the
 22 redevelopment commission.

23 (d) The redevelopment commission shall certify a copy of the
 24 resolution authorizing the bonds to the municipal or county fiscal
 25 officer, who shall then prepare the bonds, subject to subsection (p). The
 26 seal of the unit must be impressed on the bonds, or a facsimile of the
 27 seal must be printed on the bonds.

28 (e) The bonds must be executed by the appropriate officer of the
 29 unit, and attested by the municipal or county fiscal officer.

30 (f) The bonds are exempt from taxation for all purposes.

31 (g) The municipal or county fiscal officer shall give notice of the
 32 sale of the bonds by publication in accordance with IC 5-3-1. The
 33 municipal fiscal officer, or county fiscal officer or executive, shall sell
 34 the bonds to the highest bidder, but may not sell them for less than
 35 ninety-seven percent (97%) of their par value. However, bonds payable
 36 solely or in part from tax proceeds allocated under section 39(b)(2) of
 37 this chapter, or other revenues of the district may be sold at a private
 38 negotiated sale.

39 (h) Except as provided in subsection (i), a redevelopment
 40 commission may not issue the bonds when the total issue, including
 41 bonds already issued and to be issued, exceeds two percent (2%) of the
 42 adjusted value of the taxable property in the special taxing district, as

C
o
p
y

determined under IC 36-1-15.

(i) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the redevelopment commission:

(1) from a special tax levied upon all of the property in the taxing district, as provided by section 27 of this chapter;

(2) from the tax proceeds allocated under section 39(b)(2) of this chapter;

(3) from other revenues available to the redevelopment commission; or

(4) from a combination of the methods stated in subdivisions (1) through (3).

If the bonds are payable solely from the tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(j) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(k) All laws relating to the giving of notice of the issuance of bonds, the giving of notice of a hearing on the appropriation of the proceeds of the bonds, the right of taxpayers to appear and be heard on the proposed appropriation, and the approval of the appropriation by the department of local government finance apply to all bonds issued under this chapter that are payable from the special benefits tax levied pursuant to section 27 of this chapter or from taxes allocated under section 39 of this chapter.

(l) All laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers **and voters** to remonstrate against the issuance of bonds apply to bonds issued under this chapter, except for bonds payable solely from tax proceeds allocated under section 39(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources.

(m) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(n) Any amount remaining in the debt service reserve after all of the bonds of the issue for which the debt service reserve was established have matured shall be deposited in the allocation fund established under section 39(b)(2) of this chapter.

(o) If bonds are issued under this chapter that are payable solely or in part from revenues to the redevelopment commission from a project

C
o
p
y

or projects, the redevelopment commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the redevelopment commission. The redevelopment commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the redevelopment commission that are payable solely from revenues of the commission shall contain a statement to that effect in the form of bond.

(p) If the total principal amount of bonds authorized by a resolution of the redevelopment commission is equal to or greater than three million dollars (\$3,000,000), the bonds may not be issued without the approval, by resolution, of the legislative body of the unit.

SECTION 14. IC 36-7-14.5-12.5, AS AMENDED BY P.L.1-2006, SECTION 567, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 12.5. (a) This section applies only to an authority in a county having a United States government military base that is scheduled for closing or is completely or partially inactive or closed.

(b) In order to accomplish the purposes set forth in section 11 of this chapter, an authority may create an economic development area:

(1) by following the procedures set forth in IC 36-7-14-41 for the establishment of an economic development area by a redevelopment commission; and

(2) with the same effect as if the economic development area was created by a redevelopment commission.

The area established under this section shall be established only in the area where a United States government military base that is scheduled for closing or is completely or partially inactive or closed is or was located.

(c) In order to accomplish the purposes set forth in section 11 of this chapter, an authority may do the following in a manner that serves an economic development area created under this section:

(1) Acquire by purchase, exchange, gift, grant, condemnation, or lease, or any combination of methods, any personal property or interest in real property needed for the redevelopment of

C
o
p

economic development areas located within the corporate boundaries of the unit.

(2) Hold, use, sell (by conveyance by deed, land sale contract, or other instrument), exchange, lease, rent, or otherwise dispose of property acquired for use in the redevelopment of economic development areas on the terms and conditions that the authority considers best for the unit and the unit's inhabitants.

(3) Sell, lease, or grant interests in all or part of the real property acquired for redevelopment purposes to any other department of the unit or to any other governmental agency for public ways, levees, sewerage, parks, playgrounds, schools, and other public purposes on any terms that may be agreed on.

(4) Clear real property acquired for redevelopment purposes.

(5) Repair and maintain structures acquired for redevelopment purposes.

(6) Remodel, rebuild, enlarge, or make major structural improvements on structures acquired for redevelopment purposes.

(8) Appear before any other department or agency of the unit, or before any other governmental agency in respect to any matter affecting:

(A) real property acquired or being acquired for redevelopment purposes; or

(B) any economic development area within the jurisdiction of the authority.

(9) Institute or defend in the name of the unit any civil action, but all actions against the authority must be brought in the circuit or superior court of the county where the authority is located.

(10) Use any legal or equitable remedy that is necessary or considered proper to protect and enforce the rights of and perform the duties of the authority.

(11) Exercise the power of eminent domain in the name of and within the corporate boundaries of the unit subject to the same conditions and procedures that apply to the exercise of the power of eminent domain by a redevelopment commission under IC 36-7-14.

(12) Appoint an executive director, appraisers, real estate experts, engineers, architects, surveyors, and attorneys.

(13) Appoint clerks, guards, laborers, and other employees the

authority considers advisable, except that those appointments must be made in accordance with the merit system of the unit if such a system exists.

(14) Prescribe the duties and regulate the compensation of employees of the authority.

(15) Provide a pension and retirement system for employees of the authority by using the public employees' retirement fund or a retirement plan approved by the United States Department of Housing and Urban Development.

(16) Discharge and appoint successors to employees of the authority subject to subdivision (13).

(17) Rent offices for use of the department or authority, or accept the use of offices furnished by the unit.

(18) Equip the offices of the authority with the necessary furniture, furnishings, equipment, records, and supplies.

(19) Design, order, contract for, and construct, reconstruct, improve, or renovate the following:

(A) Any local public improvement or structure that is necessary for redevelopment purposes or economic development within the corporate boundaries of the unit.

(B) Any structure that enhances development or economic development.

(20) Contract for the construction, extension, or improvement of pedestrian skyways (as defined in IC 36-7-14-12.2(c)).

(21) Accept loans, grants, and other forms of financial assistance from, or contract with, the federal government, the state government, a municipal corporation, a special taxing district, a foundation, or any other source.

(22) Make and enter into all contracts and agreements necessary or incidental to the performance of the duties of the authority and the execution of the powers of the authority under this chapter.

(23) Take any action necessary to implement the purpose of the authority.

(24) Provide financial assistance, in the manner that best serves the purposes set forth in section 11 of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the citizens of the unit.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the

**C
o
p
y**

1 establishment of an allocation area by a redevelopment commission.
 2 The allocation provision may modify the definition of "property taxes"
 3 under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the
 4 depreciable personal property located and taxable on the site of
 5 operations of designated taxpayers in accordance with the procedures
 6 applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3
 7 applies to such a modification. An allocation area established by an
 8 authority under this section is a special taxing district authorized by the
 9 general assembly to enable the unit to provide special benefits to
 10 taxpayers in the allocation area by promoting economic development
 11 that is of public use and benefit. For allocation areas established for an
 12 economic development area created under this section after June 30,
 13 1997, and to the expanded portion of an allocation area for an
 14 economic development area that was established before June 30, 1997,
 15 and that is expanded under this section after June 30, 1997, the net
 16 assessed value of property that is assessed as residential property under
 17 the rules of the department of local government finance, as finally
 18 determined for any assessment date, must be allocated. All of the
 19 provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5
 20 apply to an allocation area created under this section, except that the
 21 authority shall be vested with the rights and duties of a commission as
 22 referenced in those sections, and except that, notwithstanding
 23 IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation
 24 fund may be used by the authority only to do one (1) or more of the
 25 following:

- 26 (1) Pay the principal of and interest and redemption premium on
 27 any obligations incurred by the special taxing district or any other
 28 entity for the purpose of financing or refinancing military base
 29 reuse activities in or serving or benefiting that allocation area.
- 30 (2) Establish, augment, or restore the debt service reserve for
 31 obligations payable solely or in part from allocated tax proceeds
 32 in that allocation area or from other revenues of the authority
 33 (including lease rental revenues).
- 34 (3) Make payments on leases payable solely or in part from
 35 allocated tax proceeds in that allocation area.
- 36 (4) Reimburse any other governmental body for expenditures
 37 made by it for local public improvements or structures in or
 38 serving or benefiting that allocation area.
- 39 (5) Pay all or a portion of a property tax replacement credit to
 40 taxpayers in an allocation area as determined by the authority.
 41 This credit equals the amount determined under the following
 42 STEPS for each taxpayer in a taxing district (as defined in

C
o
p
y

IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 in the same year.

(6) Pay expenses incurred by the authority for local public improvements or structures that are in the allocation area or serving or benefiting the allocation area.

(7) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(A) in the allocation area; and

(B) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or benefitting an economic development area created

C
o
p

by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

(1) The authority shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.

(3) The bonds are exempt from taxation for all purposes.

(4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.

(5) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:

(A) from the tax proceeds allocated under subsection (d);

(B) from other revenues available to the authority; or

(C) from a combination of the methods stated in clauses (A) and (B).

(6) Proceeds from the sale of bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(7) Laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers **and voters** to remonstrate against the issuance of bonds do not apply to bonds issued under this section.

(8) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority

C
o
p
y

may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the authority that are payable solely from revenues of the authority shall contain a statement to that effect in the form of bond.

(f) Notwithstanding section 8(a) of this chapter, an ordinance adopted under section 11 of this chapter may provide, or be amended to provide, that the board of directors of the authority shall be composed of not fewer than three (3) nor more than eleven (11) members, who must be residents of the unit appointed by the executive of the unit.

(g) The acquisition of real and personal property by an authority under this section is not subject to the provisions of IC 5-22, IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the purchase of property by public bodies or their agencies.

(h) An authority may negotiate for the sale, lease, or other disposition of real and personal property without complying with the provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely within the geographic boundaries of an existing or a closed military installation, in which case the utility service is not subject to regulation for purposes of rate making, regulation, service delivery, or issuance of bonds or other forms of indebtedness. However, this exemption from regulation does not apply to utility service if the service is generated, treated, or produced outside the boundaries of the existing or closed military installation.

SECTION 15. IC 36-7-15.1-17, AS AMENDED BY P.L.185-2005, SECTION 34, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 17. (a) In addition to other methods of raising money for property acquisition or redevelopment in a redevelopment project area, and in anticipation of the special tax to be levied under section 19 of this chapter, the taxes allocated under section 26 of this chapter, or other revenues of the redevelopment district, the commission may, by resolution, issue the bonds of the redevelopment district in the name of the consolidated city and in accordance with IC 36-3-5-8. The amount of the bonds may not exceed the total, as estimated by the commission, of all expenses reasonably incurred in

C

connection with the acquisition and redevelopment of the property, including:

- (1) the total cost of all land, rights-of-way, and other property to be acquired and redeveloped;
- (2) all reasonable and necessary architectural, engineering, legal, financing, accounting, advertising, bond discount, and supervisory expenses related to the acquisition and redevelopment of the property or the issuance of bonds;
- (3) capitalized interest permitted in this chapter and a debt service reserve for the bonds, to the extent that the redevelopment commission determines that a reserve is reasonably required;
- (4) the total cost of all clearing and construction work provided for in the resolution; and
- (5) expenses that the commission is required or permitted to pay under IC 8-23-17.

(b) If the commission plans to acquire different parcels of land or let different contracts for redevelopment work at approximately the same time, whether under one (1) or more resolutions, the commission may provide for the total cost in one (1) issue of bonds.

(c) The bonds must be dated as set forth in the bond resolution and negotiable subject to the requirements of the bond resolution for the registration of the bonds. The resolution authorizing the bonds must state:

- (1) the denominations of the bonds;
- (2) the place or places at which the bonds are payable; and
- (3) the term of the bonds, which may not exceed fifty (50) years.

The resolution may also state that the bonds are redeemable before maturity with or without a premium, as determined by the commission.

(d) The commission shall certify a copy of the resolution authorizing the bonds to the fiscal officer of the consolidated city, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(e) The bonds shall be executed by the city executive and attested by the fiscal officer. The interest coupons, if any, shall be executed by the facsimile signature of the fiscal officer.

(f) The bonds are exempt from taxation as provided by IC 6-8-5.

(g) The city fiscal officer shall sell the bonds according to law. Notwithstanding IC 36-3-5-8, bonds payable solely or in part from tax proceeds allocated under section 26(b)(2) of this chapter or other revenues of the district may be sold at private negotiated sale and at a price or prices not less than ninety-seven percent (97%) of the par value.

**C
O
P

(h) The bonds are not a corporate obligation of the city but are an indebtedness of the redevelopment district. The bonds and interest are payable:

- (1) from a special tax levied upon all of the property in the redevelopment district, as provided by section 19 of this chapter;
- (2) from the tax proceeds allocated under section 26(b)(2) of this chapter;
- (3) from other revenues available to the commission; or
- (4) from a combination of the methods stated in subdivisions (1) through (3);

and from any revenues of the designated project. If the bonds are payable solely from the tax proceeds allocated under section 26(b)(2) of this chapter, other revenues of the redevelopment commission, or any combination of these sources, they may be issued in any amount without limitation.

(i) Proceeds from the sale of the bonds may be used to pay the cost of interest on the bonds for a period not to exceed five (5) years from the date of issue.

(j) Notwithstanding IC 36-3-5-8, the laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers **and voters** to remonstrate against the issuance of bonds applicable to bonds issued under this chapter do not apply to bonds payable solely or in part from tax proceeds allocated under section 26(b)(2) of this chapter, other revenues of the commission, or any combination of these sources.

(k) If bonds are issued under this chapter that are payable solely or in part from revenues to the commission from a project or projects, the commission may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects, but may not convey or mortgage any project or parts of a project. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the commission. The commission may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds.
